To Whom It May Concern:

I am a member of the Friendship Water System of Bienville Parish, a private nonprofit corporation. The corporation consist of a five (5) member board of commissioners.

I am requesting an advisory opinion regarding the Louisiana Open Meeting Law. Since Friendship Water System is a private entity, are the board meetings required to be conducted according to the Louisiana Open Meeting Law?

If you have questions, I can be contacted at (318) 347-7580 or email at rmjackson1234@yahoo.com.

Thank you kindly,

Rose M. Jackson
